We conducted a thorough search for CIA-originated biographic reports produced between 9 August 2006 and 22 January 2019 that would reveal an openly acknowledged CIA affiliation with the subject of your request. While we did locate responsive material, we determined that it remains currently and properly classified and must be denied in its entirety on the basis of FOIA exemptions (b)(1) and/or (b)(3). A copy of an explanation of exemptions is enclosed.

To the extent that your request also seeks records that would reveal a classified association between the CIA and the subject, if any exist, we can neither confirm nor deny having such records, pursuant to Section 3.6(a) of Executive Order 13526, as amended. If a classified association between the subject and this organization were to exist, records revealing such a relationship would be properly classified and require continued safeguards against unauthorized disclosure. You may consider this finding a denial of this portion of your request pursuant to FOIA exemptions (b)(1) and (b)(3). Exemption (b)(3) pertains to information exempt from disclosure by statute. In this case, the relevant statutes are Section 6 of the Central Intelligence Agency Act of 1949, 50 U.S.C. § 3507, as amended, and Section 102A(i)(1) of the National Security Act of 1947, 50 U.S.C. 3024(i)(1), as amended. I have enclosed an explanation of exemptions for your reference and retention. As the CIA Information and Privacy Coordinator, I am the

CIA official responsible for this determination. You have the right to appeal this response to the Agency Release Panel, in my care, within 90 days from the date of this letter. Please include the basis of your appeal.
